

# Use of the International Floor(4<sup>th</sup> Floor)

- All the participants are required to check their temperature.
- Please do not use the floor if you have cold-like symptoms such as a fever, cough, tiredness, loss of smell and/or taste.
- Please sanitize your hands with disinfection solution.
- To keep the social distance, please ride the elevator with not too many people and do not chat with others. You can also use the stairs.
- When you use the meeting room, please change the air as much as possible by opening the doors and windows.
- Please disinfect all the items and things you touched in the meeting (Desks, Chairs, Pens, Door Knobs, Plugs, etc).
- If you touch the leaflets please take them back home instead of returning them.
- Use of the pantry is not allowed.

We appreciate everyone's cooperation to protect against the novel corona virus.
